

## **Lagoon Quest Internship**

**Program Information:** The Lagoon Quest program is a joint program with Brevard County Public School where the Zoo conducts an environment education program onsite at the Indian River Lagoon to 4th grade students.

**Description:** Paid interns will assist education staff with teaching the students our Lagoon Quest Program. Enthusiasm for the outdoors, natural world, and knowledge of the Indian River Lagoon ecosystem required. Excellent communication and public speaking skills needed. The program in the Spring will run from March to mid-May and in the Fall mid-August through November, Monday to Friday from earliest start time 7 a.m. and latest end time 4 p.m. actual hours flexible based on group bookings.

**Requirements:** Applicants should be currently enrolled in college with at least one year completed or recent graduate with degree in education, science or related field; course work in marine biology optimal. The Education Department is willing to work with an individual's school schedule. Minimum two days per week commitment required.

**Application Deadlines:** February 2 & July 20

**How to Apply:** Send complete Education Internship Application to
