

Spring 2020 Family Nature Club

All Ages

Nature play begins here! Join our free, inclusive club as we explore some of the best natural areas Brevard County has to offer. All programs 9:30 – 11 am.

Exceptional Nature Space

Located at the Zoo, this enclosed natural area is designed to provide a safe, fun and stimulating outdoor experience to individuals with varying exceptionalities. A trained Zoo educator is present to lead activities that target your child's physical, behavioral or cognitive goals. Great as a calm start to your Zoo visit or an outing all on its own. Zoo admission not included or required to visit the ENS.

Out and About

Meet at a local park to explore nature with other families. Participate in loosely structured, child-led play sure to spark enthusiasm for the great outdoors!

Cloudy with a Chance of Shadows

High in the sky or down on the ground, there's always a chance of fun!
