Brevard Zoo nominated for national travel award

MELBOURNE, Fla., March 19, 2020 — Brevard Zoo has been named one of USA Today’s 10Best nominees in the North American zoo category. The 20 nominees were selected by a panel of animal welfare and travel experts.

“The Zoo has become a tremendous source of local pride since it opened in 1994, which is why we’re calling on our friends and neighbors to help this Space Coast gem make the top ten,” said Keith Winsten, the Zoo’s executive director. “Even though our facility is not as large as the others on the list, we deliver an outsized impact on our community and environment through an exceptional guest experience, life-changing educational programs and transformative conservation projects.”

USA Today permits one vote per person per day at www.10best.com/awards/travel/best-zoo. The poll closes on Friday, April 24.
