

HOMESCHOOL PROGRAMS

Explore science and conservation curriculum with Zoo educators! For students ages 5–12.

September: Animal Myth Busters. Discover if age-old animal myths are true or false!

October: Migration Mysteries. Learn how animals navigate to new habitats.

October: Afternoon in the Hollows (Special Event). We will meet at Hundred Acre Hollows for a special afternoon of exploration and activities.

November: Let's Rock. From the Appalachian Mountains to Florida beaches, we will discover the link between them while learning about the minerals on our beaches.

November: Zoo School (Special Event). Students will join us for a three-day Zoo School and explore while immersed in Life Science Curriculum. Ages 9-12.

December: Animal Super Senses. Meet animals with the superpowers of sight, sound, and scent and learn how scientists and engineers use this knowledge.

Programs last two hours. Cost per program is for \$23 members and \$28 for nonmembers.
