

HOMESCHOOL PROGRAMS

Explore science and conservation curriculum with Zoo educators! In-person and virtual programs available. For students ages 5–12. January: Habitat Engineers. We will explore different habitats and how animals are some of the world's best engineers.

February: Out of This World Animals. We will explore animal adaptations and then design our own out-of-this-world animals.

March: Mad Scientist. This class is filled with fun hands-on science experiments!

April: Wetlands exploration. (5-8 years olds only). We will peek into the world of microscopic organisms.

April: Lagoones. (9-12 year olds only). Explore the Indian River Lagoon with us!

May Homeschool Day! Cost: \$20 Member \$10.

Programs last two hours. Cost per program is for \$23 members and \$28 for nonmembers.
