

JR. ZOOKEEPER CLUB

Get up close and personal with animals, go behind the scenes, learn about science and make new friends! For children ages 10–13.

Sustainable Snakes (Jan. 15 at 1-3 p.m.) Brevard Zoo takes sustainability seriously, and we want to share our conservation message with you! Meet native snakes, create a reusable tote and learn ways you can help at home!

Bold Beach Mice (Feb. 12 at 1-3 p.m.) Have you heard of the beach mouse? Get ready to learn about this elusive yet amazing species and the dunes that they call home!

Leave No Trace (March 5 at 1-3 p.m.) Florida has amazing natural places. Let's learn how to explore these areas with little impact, while exploring the Zoo and native habitats.

Water Wonders (April 16 at 1-3 p.m.) Learn about the importance of hydrology within a freshwater pond and explore these native ranges. Have fun making your own "Pond in a Jar" and meeting some animals the call this range their home.

Conservation Champions (May 6 at 9:30 a.m.- 12:30 p.m.) Come Party for the Planet on this extended Jr. Zookeeper excursion. Get to know conservation groups across the globe, seeing how we are all working together to preserve our home!

Prices vary by program.
