

**Let's visit...**

**Cape to Cairo Express**

Today I am going to  
ride the Cape to  
Cairo Express at  
Brevard Zoo!

When I visit the train, I will enter the Zoo and walk to the train station behind Nourish Cafe.

When I get to the train station, a Zoo staff member will greet me at the counter.

My family will buy tickets here.

I may have to wait my turn in the waiting area until the train arrives. That is okay!

Waiting can be difficult, but I will use my calming strategies to help me wait.

At the train station, I may hear loud sounds that the train makes.

If it is too loud, I can wear headphones.

When it is my time to ride the train, a Zoo staff member will tell me how to safely get on the train.

I will give the conductor my ticket and get on the train safely.

I have to keep my arms and legs inside the train the entire time. I want to keep myself and the animals safe!

The train will start to move, and a Zoo staff member will drive the train. They will talk about the different animals I see and how the Zoo takes care of them!

I may see different animals on the train, such as zebras, bongos, camels and giraffes!

I will remember not to touch or feed the animals.

If I feel  
overwhelmed or  
scared, I can use my  
calming strategies  
to stay calm.

The time of the train ride will vary. The train may stop if an animal is too close or on the tracks. I will stay in my seat and wait if this happens.

When the conductor returns to the train station, I will stay in my seat until the train stops.

I want to be safe!

I will get out of the train safely and stay with my family.

When I leave the train station, I will say thank you to the Zoo staff or volunteers.

I will have had a great time on the Cape to Cairo Express!
