To attend preschool at Brevard Zoo, each child must have on record a STATE OF FLORIDA School Entry Health Exam (Form 3040). In addition, Form DH 680 or DH681, *Florida Certification of Immunization*, must be used to document receipt of immunizations required for entry and attendance in Florida schools, childcare facilities, and family daycare homes. **Immunization forms must be on file within 30 days of enrollment.** It should be noted that some children in care may not have current immunizations due to certain exemptions. *Please initial to accept.*

I understand that at Wildlife Explorers Nature Preschool at Brevard Zoo class is held mainly outdoors. We are a free-play based school that values social, emotional, and physical development over traditional academics. *Please initial to accept.*

I understand that to start school, my child must be able to use the bathroom independently, which includes pulling up and down clothes, wiping and handwashing. *Please initial to accept.*

I agree to make weekly or monthly payments for my child to attend Brevard Zoo's Nature Preschool. A fee will be charged for late tuition payments. Refunds will not be issued. Once enrolled, you are obligated to pay to the end of the semester or until your child's spot can be filled. *Please initial to accept.*

Registration Fee: A \$100 non-refundable registration fee is required to secure your child's spot for the 2024-2025 school year. Once your registration is processed, you'll receive an email with a link to pay the registration fee.
