**Cool Off at Brevard Zoo's Science Sundays**

MELBOURNE, Fla., June 24, 2024 — Brevard Zoo guests can beat the heat while learning something neat at the Zoo's new Science Sunday series. This program will be free with Zoo admission and be held from 10 a.m.-3 p.m. on July 7, 14, 21, and 28 as well as August 4, 11, and 25 in the Zoo's air-conditioned event space, Nyami Nyami River Lodge.

Guests will have the chance to escape the summer sun and dive into engaging, hands-on activities led by knowledgeable experts. Science Sundays offers a unique blend of education and entertainment, designed to inspire curiosity and foster a love of science among guests of all ages.

Each Science Sunday will feature a different theme and set of activities, from animal behavior demonstrations to interactive exhibits on conservation and environmental science. Interactive chats will also be held at 11:30 a.m. and 1 p.m.

For more information or a look at the themes, please visit the event webpage at [BrevardZoo.org/special-Events/Science-Sundays](https://www.brevardzoo.org/special-events/science-sundays)
