

Dear Parents,

Although Brevard Zoo Nature Preschool does not potty train, we would like to gather some information on your child's bathroom habits to properly support and assist him/her during our bathroom breaks throughout the school day.

Child's Name: _____

How does your child indicate that they need to use the bathroom? (ex. Words, gestures, etc.)

How often does your child have accidents? How are they handled at home?

Can your child pull down/up their pants on their own? **YES** or **NO**

How proficient is your child at wiping?

Is there any additional information we should know about your child's bathroom habits?

Please return this form with the application! Thank you 😊
