**Bold Murals Taking Over Brevard Zoo**

MELBOURNE, Fla., January 30, 2025 — Fourteen artists are showcasing how nature brings them joy in a weekend-long live mural exhibition starting Saturday, Feb. 15. This exhibition is included in Zoo admission.

“Through this exhibition, we hope our guests experience the joy of nature as captured by an artist’s brush – and reflect themselves on how nature brings them joy,” said Andrea Hill, the Zoo’s Director of Marketing & Communications.

These artists will create their murals throughout the Zoo on wooden canvases as well as select buildings. The goal is for them to complete their art, most of which are 8x8 feet in dimension, by Monday, Feb. 17.

“Watching art come to life is such a unique experience – for artists and guests,” said Kole Trent of Trent Art Foundation, a partner in this exhibition. “Hosting this exhibition at Brevard Zoo makes it even more special.”

The murals will be displayed through mid-May 2025. A second mural exhibition will be held from May 24-Sept. 21 with a different theme.
