

# BREVARD ZOO READING CHALLENGE

Each month, choose one or more of the topics and read the required number of pages. To meet your page number goal, you may read one or more texts that are related in ANY way to the topic(s) you choose:

*For example, if your chosen topic is **Africa**, you could read a story that takes place in Africa, the main character might be a giraffe, or you might read an encyclopedia of facts about Africa.*

Record the title(s) and the number of pages you read to complete the challenge. Have a parent or teacher initial each month. At the end of the Reading Challenge, have a teacher sign off on your completed checklist. Bring it to the ticket office at the front of the Zoo to redeem it for a FREE child admission\* and enjoy a day at the zoo!

\*Zoo Members may choose instead to redeem their completed reading checklist for our Wild About Reading Africa Package: one free Kayaking ticket and one free giraffe feeding (equivalent to \$5). Limit 1 per child.

Reading Challenge Checklists must be redeemed between the dates of May 1, 2026 and August 9, 2026.
