Boo at the Zoo Returns to Brevard Zoo

MELBOURNE, Fla., September 10, 2025 — Boo at the Zoo, Brevard Zoo's popular family Halloween event, will be back this October for more daytime fun with decorations, trick-or-treat stations, and spooktacular music by DJ Eric Deniro. Boo at the Zoo is presented by Orlando Health.

These activities and more like making fall crafts, enjoying spooky science will be included with Zoo admission from 10 a.m. to 3 p.m. on Saturdays and Sundays in October. Guests are encouraged to bring their own reusable trick-or-treating bag for a more sustainable experience.

Each weekend will feature a different costume theme for guests to participate in - as well as unique entertainment. Performances will take place each day on the main plaza stage at 10:30 a.m., noon and 1:30 p.m.

On opening weekend, Oct. 4 and 5, we ask guests to come dressed as their favorite characters, whether it be a princess, pirate or storybook star! The magic will continue throughout the day with a blend of performance art, comedy, illusions and interactive fun by Kardenni the Magician.

On Oct. 11 and 12, guests can don their lab coats for a "Mad Scientist" themed weekend! A thrilling live acrobatic science show by "We Do Flips!" will be taking over the main stage.

Guests can join our Zoo crew on Oct. 18 and 19 dressed as their favorite animal friend. Acrobatic variety show Ben & Zach will show off their electrifying talents throughout the weekend.

On our final Boo at the Zoo weekend Oct. 25 and 26, guests can show off a spooky classic costume or a one-of-a-kind favorite while enjoying the high-energy jump rope antics by The Jumpin' Mummies.

Boo at the Zoo is also supported by Space Coast Credit Union, Sunrise Facial and Oral Surgery, Renew Aesthetics, Heatherington Therapy and Samantha Hunt Statefarm. For more information on sponsorship opportunities, please contact Tara Beers at TBeers@BrevardZoo.org.

###

Brevard Zoo is home to more than 800 animals representing 170 species from all over the world. As a not-for-profit organization, it is a leader in the fields of animal wellness, education and conservation. More information is available at BrevardZoo.org.
