

Create an unforgettable birthday celebration!

Private parties are available select nights Thursdays through Sundays in September and October, 5:30 - 9 PM

Host your party in a spooky playground filled with eerie lights, mysterious sounds, and hauntingly fun surprises. Enjoy pizza and celebrate with your group in a private room before you embark on an adventure through dimly lit pathways lined with glowing jack-o-lanterns, foggy forests and larger-than-life displays.

Beware the Night is family-friendly and intended for all ages.

Some locations of the park may be spookier than others as you encounter dark and atmospheric areas of the event.

Every Friday and Saturday in October, we turn up the scares with River's Revenge!

This is an optional thrill experience on a behind the scenes trail complete with jump scares, mazes and creatures. Recommended for ages 13 and up.
