Halloween Fun Continues at Brevard Zoo

MELBOURNE, Fla., Oct. 2, 2026 — Halloween fun continues at Brevard Zoo with the opening of a new nighttime scare trail, "River's Revenge," along with the return of daytime family favorite, "Boo at the Zoo." Boo & Beware is presented by Orlando Health Melbourne Hospital.

Starting on Friday, Oct. 2, River's Revenge will be an optional add-on for guests enjoying the Zoo's nighttime Halloween event, Beware the Night. On Friday and Saturday nights only through Oct. 31, guests can venture through the twisted paths of a dark forest and face the ghastly creatures lurking within on this scary trail. River's Revenge is recommended for ages 10 and up. For guests who want to avoid the scares, the rest of the Beware the Night experience features more family friendly fun.

The Zoo's classic Boo at the Zoo daytime event will return on Saturdays and Sundays in October starting this Saturday, Oct. 3, with plenty of candy for trick-or-treating, special activities through the Zoo, and even live performances.

"We want to offer our community two ways to enjoy Halloween this year," said Alysia Ross, VP of Marketing. "Boo at the Zoo has become a beloved tradition for many families. With the addition of Beware the Night, we're bringing a whole new element of engagement, with the goal of attracting not only our core audience but the tween and teen audiences as well. There is so much to see and do this Halloween season, and it is all here at Brevard Zoo."

Please visit [this Dropbox link](#) for more content.

Beware the Night tickets are on sale on BrevardZoo.org. Boo at the Zoo is included with regular daytime admission.

###

Brevard Zoo is home to more than 700 animals representing 170 species from all over the world. As a not-for-profit organization, it is a leader in the fields of animal wellness, education and conservation. More information is available at BrevardZoo.org.
