**Brevard Zoo rolls out spring education programs**

MELBOURNE, Fla., January 14, 2019 — Now through May, Brevard Zoo's education department is offering a variety of exciting experiences for children and, in some cases, their parents. Participants will learn alongside animal experts through crafts, games, encounters, Zoo excursions and more.

Programs include Zooper Kids (ages 2–4), night hikes and overnights (ages 5–12), Jr. Zookeeper Club (ages 10–13) and Jr. Zoo Crew (homeschooled students ages 5–12).

The entire family is invited to explore the wonders of nature through offerings such as the Family Nature Club, Exceptional Nature Space and FrogWatch USA.

More information and registration are available at [www.brevardzoo.org/education](http://www.brevardzoo.org/education).
