

Ickyology

This camp is for entering 1st to 6th grades and considered a combined camp. Classes will be determined based on registration and age of children. If registering with siblings or friends and you wish to request to be placed in the same class, please email edregistrar@brevardzoo.org. Class assignments are not guaranteed, but every effort will be made to accommodate requests. Campers need to bring lunch Tuesday-Thursday, and Friday Pizza will be provided. Snacks will be provided each day and will be either pretzels or animal crackers, but please bring any additional/different snacks as desired.

Here are just some of the activities the campers will participate in, but are subject to change due to weather or other conflicts. On the formal camp letter, which you will receive on the first day of camp, will have which day specific activities will take place.

- Water Play (Campers will need bathing suit, towel, sun block, change of clothes, and optional water shoes)
- Dip netting (Optional Water Shoes or shoes that can get wet)
- Treetop Trek – Chutes and Ladders Course (closed toed shoes and waiver needed)
- Relay Games
- Make animal enrichment
- Owl Pellet Dissection
- Animal Feedings
- Daily Animal Encounters

Artful Adventures

Art Camps are for entering 1st to 6th grades and considered a combined camp. Classes will be determined based on registration and age of children. If registering with siblings or friends and you wish to request to be placed in the same class, please email edregistrar@brevardzoo.org. Class assignments are not guaranteed, but every effort will be made to accommodate requests. Campers need to bring lunch Monday-Thursday, and Friday Pizza will be provided. All days except Friday the Snacks will be pretzels and animal crackers, but please bring any additional/different snacks as desired.

In this camp, the campers spend an hour each day with each local artist we bring on for that week. Anna Lusk, our music teacher, will work with each group to learn at least three songs and preform at least one on Friday. Mia Pacitto, our dance teacher, will work with each group ao learn a routine with their song to perform on Friday. Debbie Price, a local art teacher, will have the campers make props for the performances with the campers and create work to bring home on Friday.

On top of working with the artists, campers will:

- Have daily animal encounters
- Water Play (Campers will need bathing suit, towel, sun block, change of clothes, and optional water shoes)
- Treetop Trek – Chutes and Ladders Course (closed toed shoes and waiver needed)

- Other fun art components may include: sidewalk chalk, sand art, paper mache for animals
- Visit different areas of the Zoo like: Aviary, Giraffes, Touch Tank, Petting Zone, Butterfly Garden
