

Family Nature Club

All Ages

Nature play begins here! Join our **free** inclusive Family Nature Club as we break down barriers and get your family out in nature. Discover the many natural areas Brevard County has to offer. Free registration required.

Adventures

Brevard Zoo's Exceptional Nature Space

Come discover, build and play in our Exceptional Nature Space! This enclosed natural area is designed to be safe, fun and stimulating. A trained educator is present to engage in activities that target your child's physical, behavioral, social or cognitive goals while enjoying the outdoors. Great as an outing all its own or a calm start to your Zoo visit. Zoo admission not included.

Out and About

Meet at an area park to explore with friends. An educator will be there to greet you and share a fun activity.
